## John Cramer

The Milan Flyers lost a great friend in John Cramer this past week to the tragedy of an ice slick road in Illinois. John was a past president of the Milan Flyers, managed our website, flew in our fly shows, and always helped out at events in support of the Milan Flyers. Jonathan Gilbey wrote on hearing the news, "That is indeed shocking and terribly sad news. John was a great guy and will be sadly missed. He taught me to fly - he was the only instructor that I ever buddied-up with and I will remember him forever."

John was truly a great guy, a genuinely nice guy. He always treated everyone with kindness and respect: always trying to be helpful and always willing to share his wealth of knowledge. He was fun to talk to, fly with and just be around. He was a true leader that we'll all miss.
