Our air show, the first annual "John E. Cramer Memorial Fly Show" (first since the name change), was again a great success. Flying in the show, was something John Cramer looked forward to every year. Thanks again to all the Milan Flyers (and others) who participated in the event and helped make this one exceptional (even the weather cooperated). The fly demonstrations were outstanding. Again, Calvin Mitchell, who organized, coordinated, and ran the event, as he has for many years, gets a very special thanks.

## Thanks Calvin

Please enjoy the pictures (on the next 2 pages) which were taken at the event.

Regards,  
Bob Hendricks
